

EMBASSY OF THE  
UNITED STATES OF AMERICA

6 May 1985  
MMB-5006

MEMORANDUM FOR: Director, FBIS  
THROUGH: Chief, Operations Group  
SUBJECT: Monthly Report -- Swaziland Bureau -- April 1985

I. GENERAL

1. Transfer -- Mr. Vusi Mamba, principal secretary in the Swazi Interior Ministry and the bureau's direct contact in the Swazi Government, has been transferred to the Justice Ministry. His successor is Mr. Vusumuzi Dlamini. Mr. Mamba expressed the wish to continue receiving the bureau's file though he is no longer actively involved with it. The bureau is now sending its incoming and outgoing traffic to him as well as his replacement at the Interior Ministry.

2. Air Flights -- Pan Am, the only American carrier to service southern Africa, announced during the month that it was immediately discontinuing its New York-Johannesburg route because of economic difficulties. Embassy and bureau personnel will now have to take considerably longer flights through Europe or Brazil in order to enter the U.S. by American carrier if they are not authorized to fly direct to New York via South African Airways.

II. OPERATIONS

A. Editorial/Monitorial

1. Events in South Africa have continued to dominate the bureau's coverage. On 15 April, the South African president announced plans to abolish the laws banning mixed marriages and also to withdraw South African troops from Angola. The following day the bureau filed reports on Foreign Minister Pik Botha's comments on the withdrawal as well as reaction to Secretary Shultz's speech on the subject. On 18 April the bureau covered a press conference from Cape Town in which the president and foreign minister announced plans for a transitional government in Namibia and challenged U.S. views on South Africa's role in Namibia.

2. The RAND DAILY MAIL, a Johannesburg daily, ceased publication on 30 April. A widely respected liberal, anti-government newspaper, it was also the only South African paper the bureau received on a same-day basis. The bureau is now looking into ways to receive the remaining South African dailies on a more current basis.

B. Lateral Services

The American Embassy in Gaborone was added at its request as a lateral addressee to the bureau's file of items dealing with Botswana.

III. ADMINISTRATION

A. Personnel

1. Portuguese monitor [ ] received a PSI to FBN 9/8 effective 7 April.

2. Afrikaans/African Languages monitor [ ] gave birth to a son during the month. Technician [ ] and his wife also became the parents of a son.

B. Buildings and Grounds

1. The bureau's remote antenna site was completed during the month and all the kinks appear to have been ironed out. It was operating without hitch at the end of the month. Engineer [ ] has given all the monitors a tour of the site and a briefing on using the antennas.

2. The bureau chief's yard was surveyed and work has begun on new fencing. All bureau property will be surveyed following the discovery of discrepancies between recorded property lines and current fences.
